

PRESS RELEASE

**Pegaso Official sponsor of Biennale College Cinema
section of the Venice International Film Festival of La Biennale di Venezia**

Pegaso Cinema Academy, cinema is online

Pegaso Online University is the official sponsor of the **Biennale College Cinema**, section of the Venice International Film Festival of La Biennale di Venezia. Biennale College Cinema represents the laboratory of higher education, research and experimentation of La Biennale di Venezia dedicated to the world of cinema. The projects of the sixth edition will be presented in occasion of the 75th Venice Film Festival (29 August 8 September 2018).

Pegaso Online University, which uses the most advanced technologies in the field of e-learning and lifelong learning, will present in Venice the Pegaso Cinema Academy project, the online University of future actors and directors.

The project is presented as an innovative educational offer, characterized by courses online and in presence as well as unique and engaging experiences.

Pegaso Cinema Academy will be online at the end of October 2018 and its courses will end with the awarding of the diplomas in occasion of the 76th Venice International Film Festival in 2019. During the Venice Film Festival week, Pegaso will meet the world of cinema at the Pegaso Lounge, an exceptional location of the Excelsior Hotel, which represents a meeting point for the protagonists of the Italian and international cinema with exclusive events and parties.

Pegaso Lounge will host for the second year the Masterclass cycle of **Pegaso Cinema Days**, three days of experience dedicated to the cinema professions.

Founded 12 years ago by President **Danilo Iervolino**, Pegaso Online University is a University built on the most modern technological standards in e-learning. Delivers academic qualifications in 10 degree courses (Law, Civil Engineering, Tourism Sciences, Business Economics, Sport Sciences, Education and Training Sciences, Pedagogical Sciences, Sports Management and Physical Education, Economics, Safety Engineering). The educational offer is enriched by **380 professional masters, 41 specialization courses, 80 higher education courses, 300 individual exams, 6 academies, 2 certifications. More than 75 thousand students**, including undergraduate and post-graduate courses, 75 exam locations throughout Italy and more than 500 ECP, speak of an already widely affirmed recognition. It is possible to learn from 300 professors coming from the most prestigious Italian universities, professionals from different sectors and influential figures from civil society. The main production categories of the country (law enforcement agencies, trade unions, political parties, professional and trade associations) have entrusted the University with the training of their registered members above 600 agreements activated. The 146 thousand likes on Facebook, make the University the first among Italian universities for social networks interaction.
