

Biennale Sessions space at Giardini

Giardini di Sant'Elena, May 10th

POLIdesign by Milanese Politecnico will promote a debate and the presentation of six architectural theses from the postgraduate course NAAD at Iuav, guided by Davide Ruzzon.

POLIdesign hosts the 'Neuroscience and Architecture' course, while Iuav Venice hosts the annual postgraduate course NAAD 'Neuroscience Applied to Architectural Design,' both under the guidance of Davide Ruzzon.

Part1

H. 1.30/2.30 pm

How do we make the outsides of the buildings radically more human?

Public Debate, facilitated by Massimo Redaelli

Thomas Heatherwick, designer and campaigner

with

Davide Ruzzon,

Architect, NAAD Iuav + POLIdesign director of Neuroscience & Architecture programs

Part2

H 3.00/4.30 pm
