

FS ITALIANE, TRENITALIA: SPECIAL OFFERS FOR ADMISSION TO LA BIENNALE DI VENEZIA 2020 EVENTS

- **for CarteFRECCIA holders and those with a regional train pass for Veneto or Friuli Venezia Giulia**
- **17th International Architecture Exhibition, 77th Venice International Film Festival, 14th International Festival of Contemporary Dance, 48th International Theatre Festival and 64th International Festival of Contemporary Music**
- **Trenitalia as the official carrier**

Venice, 27 February 2020

Special discounts for Trenitalia (FS Italiane Group) customers to the numerous events organized by La Biennale di Venezia throughout 2020, for which the Italian train operator is the official carrier.

In particular, the offers are valid from May to November for the 17th International Architecture Exhibition, the 77th Venice International Film Festival, the 14th International Festival of Contemporary Dance, the 48th International Theatre Festival and, to conclude, the 64th International Festival of Contemporary Music.

The discounts are reserved for CartaFRECCIA holders who travel to Venice via the *Frecce* trains (*Frecciarossa*, *Frecciargento* and *Frecciabianca*) – with the ticket's travel date up to three days prior to the visit – and holders of a regional or supraregional Trenitalia travel pass, be it annual or monthly, valid for travelling in Veneto or Friuli Venezia Giulia. To avail of the discount, simply present the CartaFRECCIA along with the ticket or rail pass at the Biennale ticket office.

48 *Frecciarossa* trains connect Milan to Venice each day, whilst 40 trains (*Frecciarossa* and *Frecciargento*) connect the lagoon city with Rome.

Then there are the 300 regional connections to and from Venice each day, where passengers can also travel aboard the brand-new latest-generation *Pop* and *Rock* trains that joined the Venetian fleet last November.

With the renewal of its collaboration with La Biennale di Venezia – now in its ninth year – the FS Italiane Group confirms its commitment to tourism and culture alongside major institutions.
