

La Biennale di Venezia

17th International Architecture Exhibition

Biennale Sessions Project

On the occasion of the 17th International Architecture Exhibition, La Biennale di Venezia addresses universities, academies of fine arts and higher education institutions with a **special project**.

- La Biennale di Venezia considers the Exhibition as a place where universities, academies of fine arts, higher education institutions, as well as research institutes, can plan a visit especially designed for their educational activities
- La Biennale di Venezia aims at providing these institutions with favourable conditions to organise such visits.

La Biennale offers each group of **50 persons (faculty and students included)** belonging to one single institution:

- a **€ 20 special pass per student** giving access to the Exhibition venues for three consecutive days
- a **location, free of charge, for a seminar, to be organised by the same institution**, in one of the Exhibition venues, together with their facilities (the pre-opening days are not included)
- special attendance conditions at concurrent events and initiatives organised by the **Dance, Music, Theatre, and Cinema** sectors as well as by the **Historical Archives of Contemporary Arts (ASAC)**
- discounts at snack areas and restaurants located at the Exhibition venues
- help in organising their stay**
- participation in conferences and other initiatives organised by La Biennale at the Exhibition's venues
- mention of participating institutions in the official communication.

74 International Institutions have joined the project so far, including **26 Italian** and **48 foreign** institutions (among these **31** European and **17** non-European institutions):
