

Biennale Sessions Project

On the occasion of the 19th International Architecture Exhibition, La Biennale di Venezia dedicates **a special project** to Universities, Academies of Fine Arts, and other Institutes of Higher Learning.

La Biennale considers the 19th Exhibition as a place where Higher Education Institutions and Research Institutes can plan a visit especially designed to enrich their educational programmes, and aims at providing them with special conditions to organise such visits.

La Biennale offers to groups of **50 or more participants (faculty members and students)** belonging to affiliated institutions:

- a. **special passes** giving access to the Exhibition venues for three consecutive days (**fee: 20€ per participant**);
- b. **a location, free of charge, for a seminar in dialogue with the themes of the Biennale Architettura 2025, to be organised by the same institution**, in one of the Exhibition venues, together with basic technical equipment and assistance (pre-opening days are not available);
- c. special attendance conditions at concurrent events and initiatives organised by the **Dance, Music, Theatre, and Cinema sectors** as well as by the **Historical Archives of Contemporary Art (ASAC)**;
- d. discounts at snack areas and restaurants located at the Exhibition venues (upon reservation);
- e. assistance in organising their stay;
- f. preferential access to conferences or other initiatives organised by La Biennale in the exhibition venues;
- g. mention of participating institutions in the official communication.

As of 10 February, **44** international institutions from **4 continents** have joined the project, including **24 Italian** and **20 foreign** institutions (among these **14** European and **6** non-European).
