

Progetto Biennale Sessions

On the occasion of the 60th International Art Exhibition, La Biennale di Venezia confirms the **special project Biennale Sessions**, dedicated to Universities, Fine Arts Academies and Institutes of Higher Education and Research.

La Biennale di Venezia considers the Exhibition a place where Institutes of Higher Learning can plan and carry out visits and activities useful to their training and teaching activities, and aims to offer particularly favourable conditions to such institutions.

La Biennale offers for each group of 50 or more participants (including teachers and students) belonging to affiliated institutions:

- a) a **special pass at a cost of €20** per participant which entitles them to access the exhibition venues for three consecutive days;
- b) a **free space** for a **seminar/workshop** in dialogue with the themes of the Exhibition, organised by the participating institution within the Exhibition areas, with basic technical equipment and assistance (excluding pre-opening days);
- c) special conditions for **concurrent events and initiatives** organised by the Dance, Music, Theatre and Film Sectors, as well as by the Historical Archives of Contemporary Arts (ASAC);
- d) **discounts at refreshment points** in the exhibition venues (upon reservation);
- e) **assistance** with the organisation of their stay;
- f) **attendance of conferences** or other initiatives organised by La Biennale in the exhibition spaces;
- g) **mention** of the participating universities and institutes in the official communication.
