LA BIENNALE DI VENEZIA

**VENICE PRODUCTION BRIDGE
FIFTH EDITION 2020**

Every year, the **Venice Production Bridge** is an unavoidable rendezvous among the cinema, audiovisual and VR professionals involved in production, distribution and broadcasting. The ongoing success is not only confirmed by the increasing numbers (more than 2,700 accredited professionals during the fourth edition), but also by an enthusiastic feedback from all participants. The **Venice Production Bridge** is providing the producers with a unique possibility of meeting package to create a film. Distributors, sales agents, banks, private and public investment funds, regions and film commissions, broadcasters, video aggregators and Internet platforms.

The fifth edition of the **Venice Production Bridge** will take place from September 3 to September 11, 2020 on the third floor of the Excelsior Hotel of the Lido di Venezia. The VPB will join and reinforce the Venice Production Bridge Office which will work throughout the entire **77. Venice International Film Festival** (September 2nd - 12th).

Confirming its worldwide uniqueness, the **Venice Production Bridge** will propose the following events:

Venice Gap-Financing Market (Sept 4 – Sept 6)

The number of international projects will be up to 45 and will include Biennale College Cinema and BCC Virtual Reality projects. During 3 days, the VGFM offers to the producers of feature films and documentaries, interactive and VR projects the possibility to encounter financiers through 30-minute one-to-one meetings.

Book Adaptation Rights Market (Sept 4 – Sept 6)

25 International publishers will propose the adaptation rights of their works (novels, essays, graphic novels, children literature...) through one-to-one meetings with producers.

Final Cut in Venice (Sept 7 – Sept 9)

The eighth edition of this workshop will present a limited number of quality rough cuts coming from all African countries, Iraq, Jordan, Palestine, Syria and Lebanon and will give them the opportunity of finding the post-production financing through our partners and the participants.

Online VPB Market Screenings (Sept 3 – Sept 11)

4 Market Screenings rooms are available to sales agents and producers in order to present their films or to add more screenings to their selected films.

European Film Forum (Sept 5 – Sept 6)

In association with the EU Media program, La Biennale will organize the fifth edition of the EFF with new themes and as last year with the coming of European Commissioner and key industry leaders. This unique rendezvous is now on all professionals' agendas.

The **Venice Production Bridge** will offer traditional services such as the Industry Gold Club, the Digital Video Library, an Exhibition Area, a Business Centre and numerous international panels and networking events.

September 4 to September 6

The call for projects was launched in February 2020 and by the deadline of May 15, 2020, more than 270 project applications had been received from across the world.

The Venice Gap-Financing Market is a platform to support European and international producers in securing the final financing of their projects through one-to-one meetings with potential and pertinent international professionals (producers, sales agents, distributors, financiers, broadcasters and funds). All the invited professionals are decision-makers.

This 3-day event will propose up to 55 European and International projects including a selection of Biennale College Cinema Projects:

- Film and Documentary: 31 feature films and international narrative or creative feature documentaries, including 3 Biennale College Cinema Projects, have been selected from all over the world. There is no genre limitation and it's open to animation feature films.
- Virtual Reality: 12 VR projects have been selected
- Biennale College Cinema Virtual Reality: 12 VR films developed through the Biennale College will be presented.

A tailor-made initiative of this kind requests a real confidentiality for the producers and the partners already in place and the Book of Projects detailing each project will be sent to the registered professionals by July, to entitle them to request 30-minute one-to-one meetings with the producers of the selected projects. The Venice Gap-Financing Market will set up these meetings in accordance with the availability of the participants and meeting slots.

Each participant will receive a personalized meeting schedule before the event.

The Venice Gap-Financing Market main terms and conditions are:

For Films and Documentaries:

- The project must be a fiction feature film or a long feature documentary with a running time above 70 minutes and intended for theatrical distribution.
- The projects must be looking for a maximum of 30% gap-financing and we will prioritize the ones looking for a European partner.
- There is no budget or genre limitation but each project must have secured 70% of its budget and must prove that this financing is in place. The film can be in development, partly or entirely shot.

For Virtual Reality:

- There is no budget or genre limitation but each project must have secured 30% of its budget and must prove that this financing is in place. The project can be in development, partly or entirely shot.

The Project Team

- Directors must have previous directing experience (short films, features, TV movies, series...)
- Producers must have a track record in production and international co-production. Regulations and the registration form is available on the website:
www.veniceproductionbridge.org

FINAL CUT IN VENICE

8th EDITION

September 7 to September 9

A call for films was launched in April 2020 and the deadline for registration and for sending the working copy of the film was June 21, 2020.

Since 2013, Final Cut in Venice offers concrete assistance in the completion of films from all African countries and from Iraq, Jordan, Lebanon, Palestine and Syria, and to offer producers and directors an opportunity to present films still in production phase to international film professionals and distributors in order to facilitate post-production and promote co-production partnerships and market access. The workshop consists in three days of activities, in which the working copies of a maximum of six selected films are presented to producers, buyers, distributors and film festival programmers.

This year another special one-to-one meetings session between the selected projects and the professionals attending the Venice Production Bridge will be organized on Sept 9.

The workshop will also provide prizes in kind or in cash to complete the films, which will be offered by our partners and could include, and not be limited to, color correction, sound mixing, production of DCP, French or English subtitles.

Regulations and the registration form are available on the website: www.veniceproductionbridge.org and for any further information, please contact: finalcut@labiennale.org

September 4 to September 6

For this fifth edition, the **Book Adaptation Rights Market** will offer to at least 25 International and renowned publishers or publishing houses a dedicated area within the Venice Production Bridge located on the third floor of the Excelsior Hotel.

During the three days one-to-one meetings between those publishers and producers will be set up thus allowing them to foster long relationships and of course to make deals around the adaptations of novels, drama, children's literature, short stories, comics, graphic novels, essays, biographies. A catalogue gathering the publishers and their new titles will be sent to producers beforehand.
