BIENNALE DI VENEZIA**

From 27 August to 6 September 2025

Venice, July 2025. An icon of international hospitality and an exceptional event for the world of great cinema: the Hotel Excelsior Venice Lido Resort is once again transformed into the privileged stage for the 82nd Venice International Film Festival, organised by La Biennale di Venezia at Lido, from 27 August to 6 September 2025.

From the iconic pier, which welcomes all the artists upon arrival by boat with pictures that travel the world, to the terrace overlooking the Adriatic Sea with the beach characterised by the elegance of the typical cabanas with exclusive services, from the scenic Salone degli Stucchi, formerly the setting for "Once upon a time in America," to all the meeting and special event rooms, from the majestic lobby to the restaurants and bars, to the rooms and suites, every area of the hotel becomes a privileged rendezvous point for artists and film professionals.

And this year, thanks to ongoing investments, additional new rooms and suites are already available to guests, with the Premium Collection offering refined design while respecting tradition. "This is not a reinvention," says Francisco Macedo, Senior Vice President – International Operations at Iconic Luxury Hotels and on behalf of L&R Hotels "It is the Excelsior: elevated, restored, and more relevant than ever. A living icon brought gracefully into the present."

To welcome guests, Edvaldo Brito, recently appointed as General Manager of the Hotel Excelsior Venice Lido Resort: "The history of our hotel is deeply linked to that of cinema, ever since the very first edition, when everything took place on our terrace," says Brito. "Our commitment to Venice International Film Festival is renewed every year, to allow everyone to experience the magic and charm of these places and of cinema."

The Hotel Excelsior Venice Lido Resort, conveniently located on the beautiful island of Lido, offers a private motorboat service for guests wishing to venture into the historic city, just a 15-minute boat ride away. With 198 rooms and suites, as well as extensive meeting and event spaces, the hotel offers a full range of services tailored to meet the needs of travellers. Dining celebrates local Venetian and global cuisine at the hotel's Elimar Beach Bar and Restaurant, Blue Bar, Adriatico Restaurant, and Pool Bar. The hotel also boasts the iconic beach cabanas overlooking the Adriatic and Mediterranean Seas, making the backdrop to the world's most exclusive beach club. Since 1932, the Hotel Excelsior has been involved with the world-famous Venice International Film Festival. For more information: www.hotelexcelsiorvenezia.com
